Perfect for entertaining, this thoughtful floor plan features an eat-in kitchen that flows into the family room and its focal point – the wood burning fireplace. Adjacent to the Formal Dining room – the kitchen also features plenty of counter top space, a pantry and wonderful views of the green space just behind the home.

Arched doorways highlight the Living Room, while the Master Suite features a walk-in closet, private bath and laundry day is a breeze with the convenient 2nd floor laundry room.

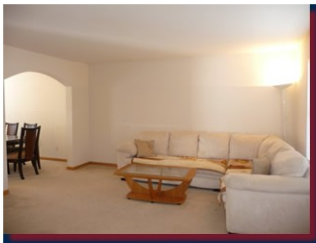

Additional amenities of this great home include a main floor half-bath, a covered front porch, ready to finish full basement with egress window, and expansive views from the backyard.

Priced right for the market – don't miss this newer home with touches of charm from the past.
